Dear Mrs. Hill:

Greetings from the Department of Public Instruction. I am pleased to let you know that congratulations are in order for your school. Enclosed you will find an academic growth award certificate for the 2016-2017 school year.

This is our first year presenting awards for achieving and exceeding expected academic growth. In addition to displaying the certificate, schools may obtain a website badge graphic that can be used on the school's website or on printed matter (banners, T-shirts) as you choose. To download the badge, visit

Academic growth represents an impressive amount of hard work by students and educators. Please share the appreciation and congratulations from me and from the entire Department of Public Instruction with everyone at your school.

Sincerely,
