

Dear Parents/Guardian,

Welcome to the North Carolina School Report Card for The Capitol Encore Academy (TCEA). We respect your choice of having your student attend our school and we recognize the vital role we play in your student's present and future. By sharing our Report Card with you, we continue to be transparent about how we operate at TCEA and what we value at our school.

The Report Card information is for the 2018-2019 school year and is available on the NC Report Card website at www.ncpublicschools.org/src. This report card includes important information about school and student performance, class sizes, school safety, school facilities, instructional resources, and teacher quality. There is also data about how schools measured against federal Annual Measurable Objectives (AMO) targets. Report card data is available for surrounding school systems as well as the state's education system as a whole.

The numbers only tell part of the story. As you are aware, The Capitol Encore Academy (TCEA) is an arts-integrated public charter school. Our students are presented the state curriculum as well as five art courses to build their knowledge and global competitiveness. Our staff members meet on a weekly basis to create integrated learning opportunities to engage and press our students to think beyond the curriculum presented. TCEA also utilizes the small classroom sizes as well as scheduled intervention times to create personalized learning opportunities to remediate areas of weakness, as well as, build on areas of strength.

We are committed to continuous improvement at TCEA. Our achievement score decreased by 2.4% and proficiency has decreased by 5.2% in Math and by 1.8% in ELA. This year we did not meet overall growth for our student body. We know that by being intentional regarding our instructional design, and building relationships with our students, we are poised for continued growth and success. To promote continuous improvement we will offer strategic professional development for our teachers and our parents.

We are committed to providing stakeholders with all the needed information about our school. At The Capitol Encore Academy, your involvement is very important to the success of our school! I encourage you to review our Report Card carefully and please feel free to contact me directly to discuss any questions/concerns you may have regarding the Report Card.

Yours in Education,

Dr. Tremaine Canteen, Principal
