

academic requirements of the standard course of study established by the State Board of Education as provided in G.S. 115C-12 and provides the student with the opportunity to make timely progress towards graduation and grade promotion is not a long-term suspension requiring the due process procedures described in G.S. 115C-390.8. (2011-282, s. 2.)

Expulsion from the Academy: In extreme cases expulsion from the Academy may be necessary. A student who is expelled may not return to the school for a time period equivalent to one full academic school year (G.S. 115C-390.11) At the time a student is expelled under this section, the student shall be provided notice of the right to petition for readmission pursuant to G.S. 115C-390.12.

Due Process for Disciplinary Action

The Encore Board of Directors assumes its responsibility to assure every student’s right to an equal education opportunity. The Board further assumes its responsibility to assure an atmosphere conducive to learning and the expression of individual responsibility while protecting the individual rights of all students in accordance with standards of due process required by law and accepted standards of fairness. These procedures include a notification of discipline and an opportunity for students to explain their version of what happened. When discipline involves long-term suspension or expulsion, students may also request a formal hearing. This procedure is not designed to deal with ordinary classroom discipline. The law requires that all teachers “maintain good order and discipline” and the Board joins with parents and students in supporting every reasonable effort of teachers to meet this obligation.

DISCIPLINARY ACTIONS AND MINIMUM PENALTIES:

Every student has the innate right to an education free from being threatened in any fashion. In addition, every teacher has the right to teach, just as every student has the right to learn. Any disruption to this process will not be tolerated. The following is a list of some unacceptable student behaviors and the suggested *minimum* starting penalties. Should a violation not be listed, administrative discretion will be exercised and a proper penalty imposed for the violation.

Violations may have different circumstances and therefore administrative discretion may be imposed to apply appropriate consequences and penalties to each individual situation to ensure fairness.

If a student misses class for an in school or out of school suspension, they are responsible for speaking with their teacher and making up the work from the class period(s) they missed.

PARENT GRIEVANCES

Encore Academy is committed to an equitable and timely process for grievances. A student, parent, or guardian may initiate the grievance procedure to appeal any final decision (a decision from a school employee from which no further appeal to a school administrator is available) of school personnel within the school system, as outlined in this policy. Grievances that involve an alleged violation of board policy or state or federal law or regulation by a final administrative decision may be appealed to the School Board. All other grievances may be appealed to the superintendent/designee but may only be appealed to the board at its discretion.

Step I: Principal Conference: A student, parent, or guardian wishing to invoke the grievance procedure shall make a written request for a conference with the principal to discuss the grievance and seek resolution according to the following guidelines:

- 1.) The request shall detail the basis for the grievance, name the specific policy, rule, or law believed to have been violated, and specify the relief being sought.
- 2.) No grievance shall be heard unless it has been filed in writing within thirty calendar days after the act or condition giving rise to the grievance.
- 3.) The principal shall grant the conference within five school days following receipt of the request. The principal will state in writing his/her position on the question to the student or parent within five school days following the conference.
- 4.) Only the parent, guardian, or someone acting in loco parentis shall be permitted to join or represent the student in the conference with the principal.

Step II: Appeal to the Superintendent: If the grievance is not resolved at Step I, the student, parent, or guardian may appeal the principal's decision in writing to the superintendent. The appeal must be made within five school days following receipt of the principal's written response in Step I. The superintendent or his/her designee shall review the grievance within five days following receipt of the appeal. If the superintendent or his/her designee determines that
